A Jr. Counselor is an older camper that has been interviewed and trained with the same rigorous attention we give all our Counselors. They are kind, energetic and responsible older campers. They may lead a simple warm-up game or fun game during break time. A head counselor will always be near-by and available should Jr. Counselors need any assistance. Outside of duties listed above, the Jr. Counselors will participate in all the fun camp activities with the other campers. If your camper is between the ages of 16-18yrs and would like to apply to be a Jr. Counselor, please email us at: [info@realizeyourbeauty.org](mailto:info@realizeyourbeauty.org)

**My child has never been to an overnight camp. Is she ready for Camp Realize Your Beauty?**

A camper's first time at overnight camp is a big deal! With our professional counselors, small camp size, and curriculum focused on confidence, empowerment and strong sense of self— there couldn't be a better first overnight camp experience. That being said, it's an experience which may present a challenge to your child. To determine whether she is ready, reflect on her other trips away with family, sleep-overs & school trips.

**How will meals work?**

All meals and snacks are included in your camper's tuition. They will have many healthy and nourishing options available at meal times. We will also accommodate any dietary restrictions that are included in your camper's Health & Physical form. Your child will have an abundance of choice at every meal, to satisfy even the pickiest of campers!

### **What will a typical schedule look like?**

### **Will my child be allowed to bring her cell phone?**

Yes, cell phones are allowed, but we will restrict their use. In this world of technology and social media, we find it is more important than ever to encourage children to un-plug, enjoy the beautiful nature surrounding them and focus on building new friendships with their fellow campers.

### **Will there be transportation to and from camp?**

*Unfortunately, we are not able to offer transportation to/from camp at this time (this includes airport pickups). If needed, we can provide shuttle information and schedules for a 3<sup>rd</sup> party shuttle service. This cost is not included in camp tuition, and reservations are made directly through the shuttle company. If we have multiple campers interested in the shuttle service, we can help arrange for everyone to be on the same ride. We can meet your camper at the shuttle drop off on the YMCA Campus.*

Otherwise, please find pick-up & drop-off info below:

- Drop-off time will be 4pm, Sunday, July 29<sup>th</sup>
- Pick-up will be at 3pm on Friday, August 3<sup>rd</sup>, with a performance for parents that will conclude at 4pm.
